OCTOBER 2018

NEWS

- The Spanish Tomato season is now over!
- English Strawberry and Raspberries are now finishing! We will be moving onto Spanish/Dutch soon.
- Potato prices are sky high at the moment! This is due to the very hot summer that we have had!
- Peaches, Nectarines and Apricots are now over for the season. We expect to see them again in December.
- Plum tomatoes are unusually high at the moment! All tomatoes are now Dutch or Italian!
